- Resetting password
- Displaying favorite classes on profile page
- Voting up or down for each class
- Links to ratemyprof of each class

## **User Stories for Release**

- Sprint 1
  - (8) As a student, I want to be able to find the class that I am taking or thinking of taking.
  - (13) As a student or professor, I want to see files that have already been uploaded and upload my own.
- Sprint 2
  - (8) As a student, I want to make sure that the website is secure(sign in/sign out)
  - (5) As a student, I want to rate and see past ratings for a class.
  - (5) As a student, I want to voice my opinion about certain classes and professors.(commenting)
- Sprint 3
  - (5) User Story 3.1: As a student, I would like to see who made each comment (names) and I would like to see a clean site overall.
  - (13) User Story 3.2: As any user of the site, I would like to have a profile page so I can see what classes I've favorited, rated, and change my password.
  - (5) User Story 3.3: As a CSE student, I would like to see CSE degree flowcharts so that I can better understand my pathway through my degree.

## **Product Backlog**

- Schedule planner for a student that keeps track of which classes the student has taken already and what classes they still have left. Additionally, required classes that the student has not taken will be highlighted in the planner.

- Warns you if class you need to take for graduation is not being offered during certain quarters.
